

# Curriculum Vitae of Pinky Pamela Maluleke

## PERSONAL DETAILS

Surname : Maluleke  
First Name(s) : Pinky Pamela  
Date of Birth : 07 July 1992  
Identity Number : 9207070429081  
Gender : Female  
Nationality : South African  
Home Language : Tsonga  
Other Language(s) : English, Afrikaans, Zulu, Sotho, Venda  
Driver's license : Code 10  
Postal Address : 13301 Braamfisherville  
Juskei phase two  
Roodepoort (Johannesburg)  
1724

### Contact details

Cell phone : 0735774089  
Alternative : 0748803953  
Email Address : [pammymaluleke@gmail.com](mailto:pammymaluleke@gmail.com)  
Availability : Immediately  
Willingness to relocate : Yes, anywhere in South Africa.

## EDUCATIONAL BACKGROUND

### A. Tertiary education

Name of Institution : University Of Johannesburg  
Course Name : Bachelor in technology Biotechnology (2016)  
Analysis of fumonisin in maize (HPLC and TLC)  
: National Diploma in Biotechnology (2012-2015)  
Major Modules : Microbiology, Analytical Chemistry, Biochemistry, Chemistry and  
Food Microbiology, Recombinant DNA technology

### B. High school education

High School Attended : Hoerskool Die Adelaar  
Standard Passed : Grade 12  
Year Obtained : 2010

## WORK EXPERIENCE

Company Name : **Danone**  
Position : lab assistant (sterility)  
Duration : **1 May 2016- 30 September 2016**

**References** :Nominyaka Limbane ( Quality Manager)  
**Contact number** : 0717251889  
: Kgomotso Maseeme (Lab technician)  
**Contact number** : 0713478246  
: [Khomotso.mmaseeme@danone.com](mailto:Khomotso.mmaseeme@danone.com)

**Duties** : Analytical testing of product: pH, temperature, sensory

- Analysis of packaging material
- Reporting non-conformance products to quality manager
- Reporting products which were out of specification
- Recording all analytical data
- Performing microbiological analysis, streaking, catalase test, gram staining and quality assurance

**Company Name** : **Mintek**  
**Division** : Biotechnology  
**Duration** : **15 January 2015- 29 January 2016**  
**Reference** : **Elisha Singh (Mentor/ Engineer)**  
**Contact Number** : **083 784 1512 / 011 709 4414**  
: **Mothusi Lerumo (Mentor/ senior lab technician)**  
**Contact Number** : **071 368 8811**  
: [mothusim@mintek.co.za](mailto:mothusim@mintek.co.za)

**Position** : In-service trainee (Quality)  
**Duties** : Quality controlling; Report writing

- Daily operations of continuous and batch bioleach system bioreactors
- Calibration and maintenance of pH and redox probes
- Daily monitoring of pH, redox and temperature of the bioleach system
- Pipette calibration
- Preparation of standards for dilutions
- Data capturing, analysis and reporting

**Company** : **Ellispark Student village**  
**Duration** : 1 March 2013- 30 September 2013  
**Occupation** : Student committee  
**Contact Number** : 011 402 8835

### **SKILLS**

**Academic lab Skills** : Titration, Isolation of bacterial cultures (streaking), Chemical analysis  
**Computer Literacy** : MS Excel, MS PowerPoint, MS Word and MS Access  
**Industrial lab Skills** : calibration of different analytical, centrifugation, pipetting, diluting  
Use of various equipment such as weighing balance, vacuum filter, fume cupboards, gas analyzer, pH probe meter and redox meter
